## Message from DG James

Seeing that the month of May was very quiet, I decided to combine the two months into one last issue. Well, it is time to say "goodbye" as the year is now reaching its end. This was one of the most amazing years in my life and it really was a pleasure serving you— the members of all the Lions and Leo clubs in District 410A. Daar was soveel kuiertjies, 5-minute partytjies en lekker gesels wat ek nooit sal vergeet nie. My wens aan julle is om aan te hou met jul goeie werk en ook groei te toon in die toekoms. Kilometers travelled → ± 25,000... A huge thank you to those clubs who really went the extra mile this year in helping where it was needed in your communities. Always thus remember our motto "We Serve". To my cabinet → once again thanks to each and everyone of you, it really was a pleasure working with you all.

## Presidential Inductions

During the last two months, I have had the honour of inducting the Presidents of Worcester and Vredendal Lions Clubs as well as inducting four new members between these two clubs.

## Durbanville Leo Club

On 31 May, I attended the charter evening of the Durbanville Leo Club at the Durbanville Golf Club. What an enthusiastic group of  $\pm 30$  youngsters! Congratulations and I wish you every success in your endeavours.

## Membership Matters

Sadly we lost many members for various reasons such as age, financial problems, relocating and then of course death. I am however confident that through careful planning, members will once again be on the increase.

**We are proud to be Lions—dedicated to the service of others.**

## Final Words

Fellow Lions & Leos, please support DG Moira Theron and her cabinet for the following year. DGE Moira—it is my wish that you have a wonderful year as I did and I wish you everything of the best for your year. Time to say goodbye and God speed to all of you—you shall always be in my thoughts.

We came across this scooter in Rome—perhaps our District should invest in this mode of transport for the IPDG and ZC—it's very light on petrol!!

*Fluit, fluit, ons storie is uit...*
