410 A News Letter **October 2013**

Dear Lions

Four months have gone by and what has been done for LCIF ?

I am disappointed to report that that for the first quarter only 3 Clubs as mentioned in my last News Letter, made a donation to LCIF. During September there was not a single donation received from our District

Be aware **In order for a Club to qualify for the 2013-2014 Excellence Award, Clubs need to have contributed to LCIF**

I am attaching the latest Re-cap of Donations. Hopefully next month where there is a zero for your Club there will be an amount of your donation.

Clubs need to decide now on how they wish to achieve this by donating to one of our 5 Core Program Areas (**Area of Greatest Need – Disaster – Sight – Youth – Humanitarian Needs**) will go towards the presentation of a Melvin Jones Fellowship. **Donations to LCIF can be paid from Clubs Projects Funds**, besides anyone

wanting to donate in their personal capacity

\$ 1000 is the cost for a Melvin Jones Fellowship. I am certain there are members in your Club or someone in the Community who would be a deserving recipient

I urge you to take up this challenge your contribution could provide a lifetime of miracles for others.

If you need any assistance or advice please do not hesitate to contact me.

There will again be a desk at the District Mid-Year Conference and I will be able to provide you with information about LCIF.

LCIF has a web site :-
(www.lcif.org) go on line and see the Lionistic work being done worldwide.

LCIF is a highly efficient foundation, and receives no club dues. The largest amount of funding comes from Lions. Every dollar donated goes towards a grant, as the administrative costs are paid for by interest earned on investments.
