Attached is a Melvin Jones Application form to enable you to order urgently directly from LCIF stating that you wish to have this presented during his visit to Cape Town.

Please inform Lion Sandy and myself if you have applied for a Melvin Jones so that I can follow up.

It has been a long time since our District has hosted an event for an International guest and it would be an honour for the recipient to receive this presentation from the Chairman of LCIF.

A special communication will shortly be forward to all clubs regarding the function planned for this special evening.

Hoping many Clubs will take up this opportunity of honouring a worthy recipient.

Best Regards
