### **Membership GROWTH AWARDS.**

Membership Growth Awards recognize members and clubs for member invitation. Traditionally, the month of October has been dedicated to inviting new members.

To encourage clubs to start and the end year strong, Lions Clubs International is now also recognizing member invitation in the month of April

#### **Silver & Gold Membership Growth Award Pins**

Lions that sponsor a member in either October or April receive the Silver Membership Growth Award Pin. Lions that sponsor a member in October and April will receive both the Silver and Gold Membership Growth Award Pin.

#### **Membership Growth Award Banner Patch**

Beginning in the 2013-14 fiscal year, clubs that add new members in both October and April will receive the Membership Growth Award Banner Patch and a fiscal year patch. Thereafter, repeat award recipients receive a fiscal year patch to affix below the banner patch.

**Give the gift of "Lions"..... It is indeed a privilege to be a LION!**

## Sharing of Membership Ideas? – I like the M Night.....

**Event/Project Type:** Membership  
**Event/Project Name:** "M Night"  
**District:** MD 17-O

**Goals:**

To get potential new members and to let the public know about what the Lions do and what the Lions are.

**Description/Results:**

I put an article in the Letters to the Editor page about the Lions organization and stated where we meet, when, etc. and then we had an "M-Night" (membership night) where we paid for those potential new members meals and explained about what the Lions are and what the Lions do. We try to hold a quarterly "M-Night".

**What can other clubs learn from this?**

Another way of drawing in potential new members and a fun and exciting way at that!! We can use the same concept it does not have to be a meal evening it can be tea and cake!

## Inviting the Next Generation of Service Leaders

What could a new, young member bring to your Lions club? Increase membership and gain fresh ideas for service activities by [inviting former Leos](#) to join your club. Through the Leo Club Program, young people acquire leadership skills as project organizers and motivators, while also developing a commitment to service. When you welcome former Leos into your club, you have more hands to serve more people and ensure your club's existence for many years to come. Former Leos are already dedicated to making a difference in their local, national and international community. Help renew Leos' commitment to service by inviting them to become Lions.

Current and former Leos, between the age of legal majority and through age 30 who have been a Leo for at least a year and a day, can join an existing Lions club or charter a new Lions club. All former Leos receive a charter/entrance fee waiver, and former Leos between the age of legal majority and through age 30 pay half international dues. Plus, all Leo years of service will also be included in your Lions membership record.
