YOUNGER MEMBERS.....

Young Adults

Young adult members bring new energy and diverse skills into your club and ensure your club will be in existence in 40 years. By recruiting young adults into your club, you can:

- Gain fresh ideas for service projects and activities
- Increase hands to do more service
- Promote membership that better reflects the community
- Mirror current times
- Breathe life into your club
- Sustain your club

Contrary to popular belief, young adults want to volunteer and are volunteering at a higher rate than normal. We've made it easier to get them involved by providing you with the tools you need.

STUDENTS

Young leaders represent the future of Lions Clubs International. They bring new energy, inspire fresh ideas for service and provide increased support for local and international projects.

So, we've made it easy to get students involved.

Students enrolled in an educational institution and between the age of legal majority and through age 30 pay only half international dues (US\$21.50) and are exempt of any entrance fees when they join any Lions club. Club secretaries may complete certification online using MyLCI, or submit the paper certification form with the monthly membership report or club charter application.

Leo Lions Club

As a Leo, you took part in service projects that not only improved your community, but also provided you with valuable leadership experience. Continue to make a difference and apply these skills as a Lion by chartering a Leo Lions club.

Leo Lions clubs provide an easy transition for graduating Leos by offering a charter/entrance fee waiver and half international dues to qualifying Leos and peers, through age of 30.

To charter a Leo Lions club you will need:

- 20 or more charter members
- At least 10 former Leos
- A sponsoring club, district cabinet or district committee, region or zone
- Completed Charter Application and Report of Charter Members
- Completed Leo to Lion Certification and Years of Service Transfer Form
- Appropriate charter fees for members over age of 30

All graduating Leos, through age of 30, are also eligible to receive the charter/entrance fee waiver and pay only half international dues when joining any type of Lions club. -
